MLK Washington Youth Tournament Jan 19-21

Run It Back Sports heads into the New Year with new confidence ready to face some of Washington's finest youth teams in the MLK Tournament in Seattle Washington.

RIB plans on reserving a block of rooms so families can come and cheer on their RIB team.

RIB FUNDRAISING

RIB Sports is looking at doing some fundraising to help raise money for their upcoming trips to Seattle and Los Angeles. Events include a raffle for a new Moped, which comes with a radio and remote CD player. We're also planning a shoot-a-thon for the players to gather sponsors to donate a certain amount for each shot that's made in a span of two minutes.

One we're excited about is family night held at Papas Pizza where they will allow us to invite as many families as we can get to order pizza from them and they will in turn let us have a percentage of the revenue we help bring in. They will also help by creating the flyers for us so all the RIB families have to do

is pass out these flyers and try to get as many people to come as possible.

We are also seeking a Team Parent(s) to possibly help coordinate these things and other ideas as we are open to suggestions.

RIB SPORTS 7TH/8TH GRADE SUCCESSFUL ADIDAS HOLIDAY TOURNAMENT DEC. 21-23

RIB Sports 8th Grade finishes second after a tough battle in the tournament finals. It seems that RIB did what it set out to do by defeating several strong youth teams as they made huge strides while building team chemistry and gaining more confidence along the way.

The 7th grade team also played well over the holiday weekend and had a strong showing despite taking the court without some of their key player's part of the time.

Run It Back Sports Win 8th Grade Division! Dec 15-16

Run It Back's 8th grade boy's team wins the Oregon Prep tournament over the weekend after a challenging start Saturday afternoon.

Teamwork and perseverance seemed to be the key ingredients as RIB put it all together Sunday afternoon to take home the trophies.

RIB SPORTS WELCOMES JERRY WALKER

Run it back Sports would like to give a big welcome to Jerry Walker as he joins the RIB team. Jerry will be responsible for player development through individual lessons and academy training.

Jerry brings a wealth of knowledge and numerous years of coaching experience to the RIB team. Many of Jerry's players are currently having success at all different levels.

RIB STORE COMING SOON

Look for stylish apparel coming soon from RIB Sports. There are Shooting Shirts that you'll see worn by the players available for sale as well as Hooded Sweatshirts and T-Shirts for everyone.
