

## Run It Back Sports and it's *Mission*

Run It Back Sports will be holding its first Annual Developmental Spring/Summer League. The league will focus on applying fundamental basketball learned through bi-weekly clinics in which all kids will participate. The games will also be bi-weekly so kids continue to develop their skills through the clinics.

Run It Back Sports is looking to develop some of the best talent in the Northwest so if you're interested in becoming one of those players check out the league coming in the Spring. The clinics and developmental league will run from April through July.
